

The Vito

Accessories and Retrofit Equipment

Mercedes-Benz

Accessories for the Vito: make the most of your day!

Vito – a name bristling with invigorating vitality for a vehicle brimming with ingenious practicality. A new generation of vans, available in either compact, long or extra-long format. A new generation whose versatile interior concept is no less impressive than its reliability, safety and economy. As you look through the pages of this brochure, you will discover a host of both exciting and practical accessory ideas for your Vito – ideas designed to make many aspects of day-to-day life easier, safer and more pleasurable. Mercedes-Benz genuine accessories have been tailor-made for your Vito and are able to pamper to those few customer needs and preferences that go beyond the scope of the standard and optional equipment lists. So go ahead and make the most of your day!

Systematic transportation management

There's so much that needs to be carried: ladders and boxes, rods and piping, surfboards and cycles. However, your Vito is standing by, ready to be loaded up with anything and everything. There's plenty of room up top, while you're bound to find that the transportation systems from the Mercedes-Benz genuine accessories range prove to be the ideal choice for safety, practicality and assured quality.

01 | Standard basic roof carrier bars (2 crossways bars). Load carrying capacity of 100 kg, bolted into the roof's drip channels. The sturdy, square-shaped bars form a platform for a wide range of attachments. Order no.: B6 656 0419

Not shown | Standard basic roof carrier bars, (3rd crossways bar). By adding a third crossways bar, the load carrying capacity of the basic roof carrier bars can be increased to 150 kg for the standard Vito roof. Order no.: B6 656 0445

02 | Standard rail-mounted basic carrier bars (2 crossways bars). For flexible attachment anywhere along the roof rail. Load carrying capacity of 100 kg. Order no.: B6 656 0450

Not shown | Standard rail-mounted basic carrier bars, (3rd crossways bar). By adding a third crossways bar, the load carrying capacity of the rail-mounted basic carrier bars can be increased to 150 kg for the standard Vito roof. Order no.: B6 656 0451

Not shown | Retrofit roof rails. Complete kit for retrofitting roof rails on the standard roof quickly and simply. **Compact**, order no.: B6 656 0636 **Long**, order no.: B6 656 0637

03 | Ladder support. For transporting ladders or other bulky load items safely. Suitable for all standard basic carrier bars. Contents: 2 pairs of high right-angled brackets, 2 elastic retaining straps and one locking clip. Order no.: B6 656 0635

Not shown | Set of high right-angled brackets. Making sure long objects are kept firmly in place. Featuring four fully galvanised strip-steel clips. Suitable for all standard basic carrier bars. Order no.: B6 684 8505

04 | Roller. For simple loading and unloading of ladders, rods and other long objects. Width approx. 600 mm, diameter approx. 50 mm. Suitable for all standard basic carrier bars. Order no.: B6 656 0638

Not shown | Lashing straps. For holding everything firmly in place out on the road. **2 lashing straps (4 m)** with standard clasp fastener, order no.: B6 656 0321 **1 lashing strap (4 m)** with tensioning ratchet, order no.: B6 684 8524

05 | Loading rack. Roof carrier bars and luggage rack in one! An integral solution for carrying both luggage and any other load items, featuring a robust design suitable for everyday use. Load carrying capacity of 150 kg. Suitable for the standard Vito roof. **Compact**, order no.: B6 656 0453 **Long**, order no.: B6 656 0454 **Extra-long**, order no.: B6 656 0455 **Roller for loading rack**, order no.: B6 656 0461

Giving your recreational activities a supporting hand

01 | Rear-mounted cycle rack. Fits onto tailgate. Can carry two cycles, suitable for almost all models and sizes. Lockable. Tailgate can still be opened with cycle rack fitted. Includes the extra taillights prescribed by law, requiring a power supply at the rear of the vehicle. Please take this into account when ordering.
Order no.: B6 656 0418

Not shown | Add-on kit for rear-mounted cycle rack. Attachment for the rear-mounted cycle rack, allowing two more cycles to be carried.
Order no.: B6 656 0452

02 | Rear-mounted cycle rack for trailer coupling. Highly practical cycle rack which fits simply onto the trailer coupling and can carry up to three cycles. Suitable for almost all models and sizes. Lockable. Includes the extra taillights prescribed by law.
Order no.: B6 656 0456

Not shown | Add-on kit for rear-mounted cycle rack for trailer coupling. Attachment which allows one more cycle to be carried.
Order no.: B6 656 0457

03 | Alustyle basic roof carrier bars (2 crossways bars). Attractive, elegant design. The platform for a diverse range of attachments in an aerodynamic aluminium design. Bolted into the roof's drip channels. Load carrying capacity of 100 kg for standard roof.
Order no.: B6 656 0448

04 | Alustyle rail-mounted basic carrier bars (2 crossways bars). For simple, flexible attachment anywhere along the roof rail. Load carrying capacity of 100 kg for standard roof.
Order no.: B6 656 0449

05 | Cycle carrier for Alustyle basic carrier bars. Sitting pretty. Suitable for cycles with tubular frame. Can carry up to four cycles next to one another.
Order no.: B6 684 8550
Accompanying fastening locks, (2 locks) simultaneous locking mechanism, order no.: B6 684 8551
Accompanying fastening locks, (4 locks) simultaneous locking mechanism, order no.: B6 684 8552

Not shown | Cycle carrier for standard basic carrier bars. Order no.: B6 684 8534

06 | Surfboard rack for Alustyle basic carrier bars. Riding on the crest of a wave. Designed to hold one surfboard, incl. mast.
Order no.: B6 684 8447

Not shown | Surfboard rack for standard basic carrier bars. Order no.: B6 684 8540

07 | Ski rack for Alustyle basic carrier bars. For carrying up to four pairs of skis or two snowboards. Two attachments are available for doubling the amount of equipment that can be carried.
Order no.: B6 656 0328

Not shown | Ski rack for standard basic carrier bars. For carrying up to three pairs of skis or one snowboard.
Order no.: B6 684 8532
For carrying up to six pairs of skis or two snowboards. Order no.: B6 684 8533

08 | Roof box for Alustyle basic carrier bars. Suitable for holding up to four pairs of skis with ski poles and four pairs of ski boots, or for carrying additional items of luggage securely. Capacity 280 litres, opens from both sides. Size: L 234 x B 60 x H 32 cm.
Order no.: B6 684 8350

09 | Luggage rack for Alustyle basic carrier bars. Additional load space for carrying items of luggage. Made from high-grade, elegant aluminium. Size: L 115 x B 102 x H 7 cm.
Order no.: B6 684 8432

09

The Vito plus accessory ideas from Mercedes-Benz – an experience for all the senses

01 | A step above the rest. Available for driver's and co-driver's doors, as well as for the sliding doors.
Order no.: B6 656 0631 (supplied singly)

02 | Stainless steel load sill trim strip. Stylish vehicle design down to the finest detail. Made from stainless steel with a polished matt finish.
Order no.: B6 656 0632

03 | Leather steering wheel with Silverstone trim. Dynamic. Sporty. Supreme. Inject your cockpit with a personal touch and a special sense of flair. Replacement of the airbag is not necessary.
Order no.: B6 656 0648

04 | Leather steering wheel with walnut trim. The centrepiece of any stylish cockpit. A truly eye-catching design, underscored by the fine wood grain and the discreet colour scheme. Replacement of the airbag is not necessary.
Order no.: B6 656 0633

05 | B-pillar trim. Trick of the light. The elegance of genuine carbon, encased in a layer of transparent plastic. Produces mesmerising patterned reflections depending on how it catches the light. Simple, glue-on design.
Order no.: B6 656 0562

01

03

Now and again, all you need is a little inspiration

02

01 | Silverstone dashboard trim. For anyone looking to cut a particularly dashing figure out on the road. Made-to-measure good looks. Various sets are available to chose from (for the centre and side air vents, as well as for the centre console and ornamental mouldings), all with a simple, glue-on design. Order number on request.

02 | Walnut dashboard trim. Enjoy mile after mile of select individuality. The high-gloss walnut trim gives the interior a feel of classic elegance. Various sets are available to chose from (for the centre and side air vents, as well as for the centre console and ornamental mouldings), all with a simple, glue-on design. Order number on request.

03 | Phone bracket for dashboard. Keep all calls within easy reach and all numbers just a glance away. The ergonomic design places the phone in clear view of the driver. You can obtain information on all current mobile phone models from your local Mercedes-Benz Service Centre. Order number on request.

Not shown | Hands-free system for mobile phones. The elegant, neat solution for all popular models of mobile phone. Fitting a hands-free system offers you the following benefits: phone calls conducted over the vehicle's speakers and the special microphone, radio mute during phone calls, connection to the vehicle's exterior aerial reduces radiation and improves clarity. Order number on request.

04 | Cradle for mobile phone. The easiest way of adapting your hands-free system to your current mobile phone model. Simple installation in just a few steps. Cradles for all popular models of mobile phone are available from your local Mercedes-Benz Service Centre. Order number on request.

Not shown | Phone aerials. You are able to choose from a range of GSM/UMTS, D Net and E Net aerials. Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need. Order number on request.

Stylish design that you'll never tire of enjoying

Supremely elegant looks which set off your Vito to perfection. Sporty, refined, dynamic – a star-studded feast for the eyes. The excellent corrosion resistance of Mercedes-Benz alloy wheels also means that they'll set a shining example all year round. And thanks to the wheels' superior thermal conductivity compared to steel wheels, drivers will be rewarded with reduced brake wear too.

01 | 17" light-alloy wheel in 5-spoke design. Order no.: B6 656 0312

02 | Stainless-steel side skirts. Dashing looks and the ideal complement to your light-alloy wheels. The side skirts are made from polished V2A stainless steel. The set includes two tubes (L: 2330 mm, diameter: 60 mm) and brackets. Simple, bolt-on design. Suitable for Vito compact version and long variants) Order no.: B6 656 0672

03 | Wheel locking bolt set. Increased protection against theft. Order no.: B6 640 8248

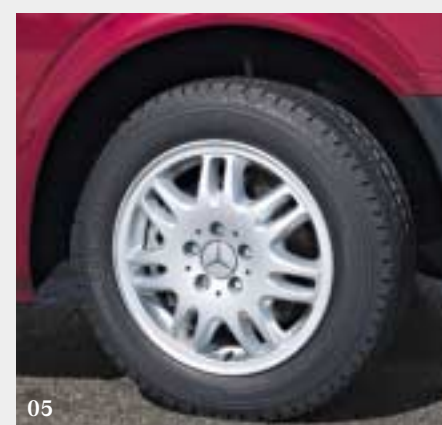

03

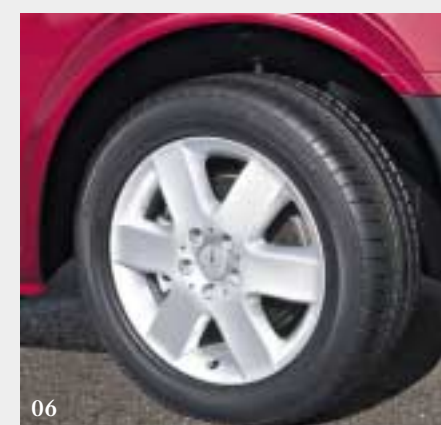

04

04 | Hub cap with chrome star. Order no.: B6 647 0202

05

05 | 16" light-alloy wheel in 7-twin-spoke design. Order no.: B6 656 0311

06

06 | 17" light-alloy wheel in 6-spoke design. Order no.: B6 656 0339

07

07 | Snow chains. Through thick and thin. Diamond-pattern chain net with grip links. Spring-steel tensioner for easy fitting, also suitable for light-alloy wheels. **Quick-fit 16" chain** to fit 195/65-16", order no.: B6 656 0620 205/65-16", order no.: B6 656 0670 225/60-16", Order no.: B6 656 0671

Ingenious solutions for all of your transportation tasks

01 | Luggage compartment tray, shallow.

The handy way of protecting the luggage compartment of your Vito from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 6 cm.

Order no.: B6 656 0411 (suitable for the long version and extra-long version)

02 | Luggage compartment tray, deep.

Protects the luggage compartment of your Vito from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 27 cm.

Order no.: B6 656 0412 (suitable for the long version and extra-long version)

Not shown | Non-slip lining for luggage compartment trays.

Made-to-measure, non-slip rubber net matting. Simply fits into the deep or shallow luggage compartment tray. Order no.: B6 656 0462

03 | Non-slip mat for Panel Van load compartment.

Keeping everything firmly in its place. Multi-layer, robust, non-slip design. Absorbs vibrations and sound, as well as protecting the load compartment floor.

Compact, order no.: B6 656 0624

Long, order no.: B6 656 0625

Extra-long, order no.: B6 656 0626

04 | Non-slip mat for luggage compartment.

Made-to-measure for your Vito's luggage compartment. Keeps any items of luggage held more securely in place when braking and cornering.

Compact, order no.: B6 656 0621

Long, order no.: B6 656 0622

Extra-long, order no.: B6 656 0623

01

02

04

Practical touches

01 | Luggage net for high-roof stowage shelf. Whether you're pulling away, braking or cornering, the luggage net for the stowage shelf in high-roof variants keeps all travel items securely in place
Order no.: B6 656 0597

02 | Luggage net. Making sure that nothing gets in your way. Even if the tailgate is opened with force, you can rest assured that nothing will fall out. Smaller items, meanwhile, can be neatly stored in the net pockets.
Order no.: B6 656 0594

03 | Partition grille. Loads of safety for high loads. The partition grille protects driver and co-driver from any "low-flying" objects, a reassuring thought when the load compartment is piled high and the brakes have to be applied sharply, for example.
Order no.: B6 656 0595

Not shown | Installation kit for partition grille. Pre-fitted brackets allow simple installation and removal of the partition grille.
Order no.: B6 656 0596

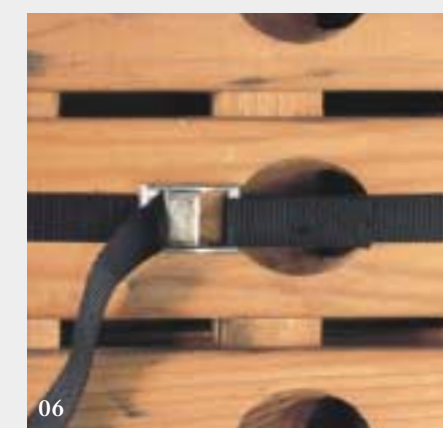

Not shown | Luggage compartment cover. Shields your luggage from prying eyes and from the sun's rays.
Order no.: A 639 8100 107

04 | Sidewall lashing rails. Aluminium rails bolted into the sidewall allowing bulky loads to be secured professionally and flexibly in both Panel Van and Mixto models. Special lashing straps are available separately.
Lashing rails between C-pillar and D-pillar (both sides).
Compact, order no.: B6 656 0421
Long, order no.: B6 656 0422
Extra-long, order no.: B6 656 0423
Lashing rails between B-pillar and C-pillar (one side).
For compact, long and extra-long versions, order no.: B6 656 0420 (not suitable for fitting on the sliding door)

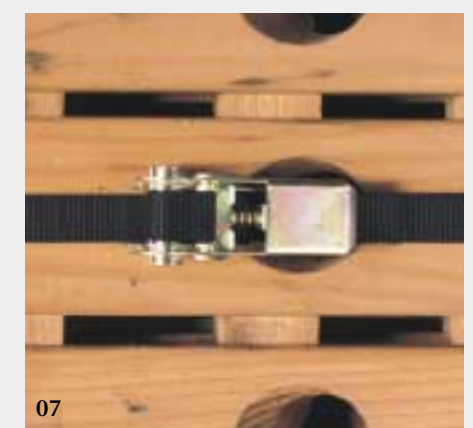

05

05 | Lashing eyelets. For attachment anywhere along the lashing rails in the sidewalls or on the vehicle floor.
Order no.: B6 656 0424 (set of 2)

06

06 | Clamping strap (2.5 m). With standard clasp fastener and two sewn-in lashing eyelets. For attachment to the load protection rails in the sidewalls or to the vehicle floor.
Order no.: B6 656 0425

07

07 | Ratchet strap (4 m). With tensioning ratchet and two sewn-in lashing eyelets. For attachment to the load protection rails in the sidewalls or to the vehicle floor.
Order no.: B6 656 0426

01

02

The perfect climate whatever the weather

01 | Front air conditioning unit. The ideal interior climate at the push of a button. Just the recipe for enjoying relaxed driving and being able to concentrate properly on the road ahead, come rain or shine. The air conditioning also reduces fogging inside the vehicle, while the system's integral fresh-air filter clearly reduces the levels of pollen, dust and odours entering the vehicle. The result is pure motoring pleasure.
Front air conditioning unit
 (for diesel-engined Vito models),
 order no.: B6 656 0608

02 | Auxiliary heaters. Pre-heating. Booster heating. Stationary heating. With the auxiliary heater, you can look forward to a cosy interior before you've even started the engine. Smoothly adjustable controls with timer and optional radio remote control. Easy to fit using the accompanying Mercedes-Benz installation kits. Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need.
Hot-water auxiliary heater
 (for diesel-engined Vito models),
 order no.: B6 656 0600
Hot-air auxiliary heater
 (for diesel-engined Vito models),
 order no.: B6 656 0602

03 | Radio remote control. Just a push of the button while you're enjoying your breakfast, and you'll find a cosy interior waiting for you when you've finished. Have a very pleasant trip.
 Order no.: B6 656 0606

03

A helping hand is always appreciated

01 | Mud flaps. Effectively reduce the formation of spray and protect the bodywork from scratching and build-up of dirt. Made from high-quality, durable plastic. Simple to fit without any drilling.
Front mud flaps (set of two), order no.: B6 656 0458
Rear mud flaps (set of two), order no.: B6 656 0459

02 | Cruise control. Increase, reduce or maintain your road speed, all with just a single control stalk. An extremely convenient feature, that proves handy on shorter journeys too. Available for retrofitting by your local Mercedes-Benz Service Centre. Suitable for manual and automatic models.
 Order no.: B6 656 0664

03 | Trailer couplings. Making light work of pulling heavy loads. Available with either a removable or a rigid ball head. Both versions are designed for a maximum drawbar load of 75 kg and for trailer loads of up to 2500 kg.
Removable trailer coupling, order no.: B6 656 0405
Rigid trailer coupling, order no.: B6 656 0406
Electrical installation kits, order number on request.

Not shown | Tachograph. Keeps a precise and instantaneous record of driving and rest times in accordance with statutory regulations. A legal requirement in the EU for commercial goods transport where the GVW including trailer exceeds 3.5 t.
For manual transmission, order no.: B6 656 0614
For automatic transmission, order no.: B6 656 0615

04 | Protective door sill film. Self-adhesive film made from high-strength plastic material. Protects the paintwork around the front door sills. Transparent, virtually invisible, and simple to affix. Contents: 1 pair of film strips.
 Order no.: B6 656 0464

05 | Tow rods. For jolt-free towing of vehicles up to a max. GVW of either 3.5 or 4.6 t.
 Order no.: B6 758 0013 (max. 3.5 t)
 Order no.: B6 758 2408 (max. 4.6 t)

06 | Tow rope. Be prepared! For towing vehicles up to a max. GVW of 4 t.
 Order no.: B6 656 0634

07 | Mini coupling adapter. For connecting trailers with 7-pin connectors to 13-pin trailer couplings.
 Order no.: B6 753 0156

08 | Ultrasonic reversing aid. This reversing aid is capable of detecting all solid objects within a range of 160 cm. Visual and acoustic warnings help to avoid unpleasant bumps and costly repair bills. The sensors are activated automatically whenever reverse gear is engaged.
 Order no.: B6 656 0666

02

03

Practicality that you can take with you wherever you go

01 | Office case. The ideal way of keeping everything close to hand, both inside and outside the Vito. This stylish, multipurpose office case can be kept open whilst driving, with the laptop held securely on the co-driver's seat. The case also has plenty of compartments for holding your mobile phone, PDA, pens, A4-size papers, business cards and many other useful items which you often need in a hurry. When you reach your destination, the office case can be simply turned into a handy briefcase/laptop case and taken with you. In short, an indispensable mobile office.

Order no.: B6 656 0417

01

01

02 | Stowage box for co-driver's seat.

Perfect for keeping the cab tidy. This roomy box, which is simply secured on the seat cushion using the seat belt, has numerous compartments for holding articles of all shapes and sizes.

Order no.: B6 626 0210

03 | Extended centre console. There's no such thing as too much stowage space, so why not add an extra oddments compartment or an installation slot for another DIN-size unit with this extension for the bottom of the centre console.

Order no.: B6 656 0667 (open compartment)

Order no.: B6 656 0678 (DIN slot)

04 | Clipboard. Transforms the steering wheel into a writing desk. Simply attaches to the steering wheel and gives drivers plenty of space for writing in comfort.

The Care & Comfort programme for you and the kids

01 | Seat covers. Made-to-measure covers in a hard-wearing fabric with a pattern that matches the vehicle interior. The ideal solution for protecting the driver's and co-driver's seats, two-seater benches, armrests and head restraints. All covers have a colourful Jacquard weave, are dirt repellent and are also machine washable at 30° C. Your Mercedes-Benz Service Centre will be pleased to advise you further. Order number on request.

02 | Workshop covers. Keep it clean! Durable, low-cost protective covers which simply slip over the front seats. Covers are oil, dirt and water-repellent, and machine washable at 90° C.

Individual seat, order no.: B6 656 0598

Twin co-driver's seat, order no.: B6 656 0599

04

03 | Floor mats. Robust. Hard-wearing. Made-to-measure. You can choose from natural rubber mats, rep mats or high-quality, carpet-grade velour mats. Special cut-outs for the seat rails mean that the mats lie flat. Available for the entire vehicle interior back to the tailgate, for all interior variants. Your Mercedes-Benz Service Centre will be pleased to advise you further. Order number on request.

04 | Rubbish bag. An extremely practical and clean solution for disposing of just about all items of rubbish during the journey: when a full rubbish liner is removed, it is automatically replaced by a fresh liner (5 l). Order no.: B6 656 0320

Not shown | Replacement liners for rubbish bag. Order no.: B6 656 0333 (contents: 50 liners)

05 | Neck support. Extra lateral support puts an end to waking up with a stiff neck. Can be fitted to point either up or down, making it suitable for both adults and children. Simple, secure fitting. Order no.: B6 656 0466

Not shown | Additional interior mirror. Perfect for keeping a watchful eye over all passengers in the rear. Simply clips on to the standard rear-view mirror. Order no.: B6 656 0316

06 | TOPSAFE child safety seat. For infants up to the age of four. Features a special restraint system: the TOPSAFE seat can be placed in a rearwards-facing position on the front passenger seat for infants up to 18 months. In vehicles with Automatic Child Seat Recognition (ACSR, optional) the seat can be placed facing rearwards on the front seat. For infants over the age of 8 months the TOPSAFE child safety seat can be used facing the direction of travel. Can be attached using the Isofix system or with the vehicle's three-point seat belts. Integral transponder for ACSR. Order no.: B6 686 8203 (blue) Order no.: B6 686 8209 (grey)

07 | KID child safety seat. Giving child safety an extra boost. The seat that grows as your child does, thanks to a backrest whose height can be adjusted to the child's height. Suitable for children aged between approximately 3 ½ and 12 years or weighing between 15 and 36 kg. Order no.: B6 686 8308 (blue) without Automatic Child Seat Recognition (ACSR) Order no.: B6 686 8309 (blue) incl. ACSR Order no.: B6 686 8302 (anthracite/grey) without ACSR Order no.: B6 686 8303 (anthracite/grey) incl. ACSR

There are some things in life that you simply cannot do without

01 | Multipurpose box. Big things come in small packages. This practical folding box is ideal for shopping and a host of other transportation tasks; it can be folded flat, is waterproof and can carry up to 30 kg in weight. When the box is folded flat, it doubles as a protective mat.
Order no.: B6 656 0323

02 | Coolbox. Ice-cold refreshment, just what you need when you're out and about on hot summer days. 12V power connection, capacity 16.5 litres.
Size: L 42 x B 30 x H 37 cm.
Order no.: B6 656 0300

03 | Stainless-steel thermos flask. For keeping hot drinks piping hot and cold drinks refreshingly cold. Robust, stainless-steel thermos flask with a capacity of one litre, including a practical handle and carry strap. Fits neatly into the integral bottle holder in the Vito's door.
Order no.: B6 656 0415

04 | Bicycle tool kit. Best equipped when you're in the saddle. High-quality kit containing all the tools you might need, including a set of Allen keys and open-ended spanners, as well as puncture repair materials.
Order no.: B6 656 0324

05 | Bicycle valve adapter. Allows bicycle tyres with presta valves to be pumped up conveniently using either a petrol station air pump or your vehicle's Tirefit compressor.
Order no.: B6 656 0322

04

05

06 | Side window wind deflector. Prevents wind and water from entering the vehicle when the window is slightly open. Exact fit, easy to attach without any need for drilling. Supplied as a set for both front windows.
Order no.: B6 656 0561

07 | Coat-hanger. Keeps shirts and jackets, for example, looking immaculate. Simply fits onto head restraint.
Order no.: B6 656 0416

08 | Model cars. The Vito in miniature format. A range of exquisite replicas whose bodies and interiors are accurate in every detail.

Vito Panel Van (atlantis blue), scale 1:43, order no.: B6 787 1200

Vito Crewbus (lugano grey), scale 1:43, order no.: B6 787 1201
