Did you know that it takes 15 intensive processing stages just to produce the wood sections of a Mercedes-Benz wood/leather steering wheel?

The first stage involves careful selection of particularly attractive woods by experienced specialists. The final stage sees the completed wooden curves being trimmed with leather and combined with the high-tech components to produce a masterly one-off item. Between the two lie precision craftsmanship, patience and passion.

And you can feel it.

#### Wood/leather multifunction steering wheel

Wood: burr walnut | Leather: alpaca grey

The wood/leather steering wheels are available in various colours to match the interior

*Mercedes-Benz child seats are available with automatic child seat recognition as an option. If your car also has automatic child seat recognition, the technology automatically deactivates the front passenger airbag when a child seat with automatic child seat recognition is installed on the front passenger seat. All child seats are also suitable for use in vehicles without ISOFIX attachment points. For further information on the Mercedes-Benz child safety range, ask your Mercedes-Benz dealer for a copy of our separate brochure*

**“KID” child seat**

Booster seat with height-adjustable backrest. The belt guides at the sides prevent the lap belt from sliding over the child’s abdomen. Available with automatic child seat recognition as an option. For children between the ages of around 3.5 and 12 (approx. 15 to 36 kg). Removable, washable “DaimlerSquare” cover

**“BABY-SAFE plus” child seat**

Deep, moulded seat design offers extra side-impact protection for optimum safety. Special padding, designed to protect particularly vulnerable body areas of small children up to around 15 months (13 kg). Removable, washable “DaimlerSquare” cover

**“DUO plus” child seat**

Optimum safety for children between the ages of around 8 months and 4 years (9 to 18 kg). Fitted as standard with TopTether, an additional belt for securing the head section, a height-adjustable shoulder belt and ventilation channels. With automatic child seat recognition and ISOFIX attachment points. Removable, washable “DaimlerSquare” cover

**Vario bag**

Plenty of extra stowage space for the really important things in life. Available in three designs: [1] “DaimlerSquare” fabric (pictured above), [2] “Angel & Driver” fabric (not illustrated), [3] Alcantara, java (not illustrated)

**Spectacles box**

Universal – adjusts to different sizes of spectacles

**Cleanbag**

The ideal way to keep the interior clean when you’re on the move: the “Cleanbag” is simply attached to the net in the front passenger footwell or to the ruffled pockets on the back of the front seats

**Coat hanger**

Robust coat hanger made of chromed metal and plastic. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

For further information about using the phone while in your car, see our Telematics brochure. Ask your Mercedes-Benz dealer for a copy

#### Audio 50 APS

Navigation system and car hi-fi combined in one unit. Dynamic route guidance using free traffic information via RDS/TMC. Navigation arrows shown on 4.9" TFT colour display. Audio part equipped with double-tuner receiver for FM, MW, LW and SW, 4-channel amplifier, CD slot for audio CDs or navigation CD plus CD changer controls. Can be operated via the multifunction steering wheel

#### Mobile-phone holders

When it comes to selecting a mobile for your Mercedes-Benz, you've never had so much choice. One "click" is all it takes to replace the system's intelligent mobile-phone holder. It takes a matter of seconds and is as straightforward a process as inserting the mobile into the holder itself. Changing your mobile and even alternating between different models of mobile no longer presents a problem. There are no compromises when it comes to convenience-enhancing technology either: the telephone can be operated via the multifunction steering wheel and the telephone status and call information are displayed in the central multifunction display - as you would expect. To use a mobile-phone holder, your car must be factory-fitted with one of the two following optional extras:

- ▶ Code 386 Pre-installation for mobile phone with universal interface
- ▶ Code 388 Mercedes-Benz mobile phone with universal interface

Holders are available for many popular Nokia, Sony Ericsson and Siemens mobile phones. The range of mobile-phone holders is constantly being extended. Please contact your Mercedes-Benz dealer for details

Note: the data for the Mercedes-Benz navigation systems is constantly updated. Please ask your Mercedes-Benz dealer for the latest updates

Can be operated using multifunction steering wheel. 6.5" TFT colour display, double tuner for FM, MW, LW and SW, 4-channel amplifier (4 x 50W) for outstanding sound quality, CD changer controls. The integral drive reads both audio CDs and navigation DVDs (for map-based navigation throughout Europe). Dynamic route guidance possible, taking into account traffic information supplied by radio

**Mercedes-Benz iPod® Interface Kit\***

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your R-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and control the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central instrument cluster display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- ▶ Select the iPod menu and scroll through the options
- ▶ Adjust the volume, playback
- ▶ Display current artist/title

**iPod holder**  
Black plastic holder for the glove compartment. Holds your iPod in place. Suitable for iPod and iPod mini. Soft, flock surface protects the MP3 player from scratches and prevents it sliding around

\* From 3<sup>rd</sup> generation iPod, iPod mini, iPod nano, iPod photo and iPod U2.

**CD changer**  
Compact and convenient changer for up to 6 CDs. Plays conventional audio CDs and CDs of audio files in MP3 format

**Rear-seat entertainment system**  
Innovative rear-seat entertainment system, consisting of a DVD player, a high-resolution 7" LCD colour display and two sets of headphones. The system is easy to operate by remote control. The rear-seat entertainment system is available in black, alpaca grey and cashmere beige
